# OUR VISION

To be a centre of excellence in education that nurtures confident, compassionate, and responsible global citizens, empowered with knowledge, values, and skills to thrive in a changing world. We strive to create a dynamic learning environment that encourages curiosity, creativity, and critical thinking, where every child discovers their unique potential.

# OUR MISSION

To provide a learner-centred and inclusive environment that promotes academic excellence and holistic development.

To integrate global curricula with strong Indian values, fostering critical thinking, creativity, and lifelong learning. To nurture character, integrity, and empathy through meaningful experiences and responsible practices. To encourage innovation, collaboration, and resilience, preparing students to become future-ready leaders.

# OUR APPROACH

At Floreto World School, our approach to education is learner-centred, holistic, and values-driven. We recognise that every child is unique and therefore blend academic rigour with experiential learning, creativity, life skills, sports, and the arts to ensure balanced development. By integrating global best practices through the Cambridge and ICSE curricula with strong Indian values, we focus on conceptual clarity, critical thinking, and real-world application of knowledge.

Continuous assessment, personalised guidance, and dedicated mentorship help nurture confident, responsible, and future-ready learners who grow not only in knowledge but also in character and compassion.

REVOLUTIONIZING  
EDUCATION

# The PentraPath Framework

The PentraPath Framework is Floreto World School's signature model for holistic education, nurturing academics, skills, values, and future readiness. It ensures balanced, real-world learning that shapes confident learners and responsible leaders.

**FIVE PATHWAYS**  
One holistic child

# EXPLORE LEARN

Our unique PentraPath Framework ensures balanced growth across academics, skills, values, and future readiness, shaping well-rounded, confident learners.

## ACTIVITY-BASED LEARNING

Children learn by doing—through hands-on activities, experiments, discussions, and exploration that make concepts meaningful and memorable.

## PROJECTS, NOT PRESSURE

Learning happens through projects that encourage thinking, creativity, and problem-solving, rather than rote memorisation or exam stress.

## COLLABORATION + REFLECTION

Students work together, share ideas, and learn from one another. Reflection helps them understand what they learned and how they can improve.

## REAL-WORLD CONNECTIONS

Lessons are connected to real-life situations so children see the purpose of learning and apply knowledge beyond the classroom.

**Learning is joyful, purposeful, and built for life.**

# SPORTS FOR GROWTH

At Floreto World School, sports and physical education are an integral part of holistic development. Through structured sports programmes and regular physical activity, students build fitness, resilience, teamwork, and self-discipline.

## Expert Sports Coaching

Professional guidance across multiple sports to build strong skills, technique, and confidence.

## 25+ Sports Programmes

A wide range of indoor and outdoor sports ensuring holistic physical development for every child.

## Competitive Sports Exposure

Regular inter-school tournaments that develop resilience, teamwork, and sportsmanship.

## Fitness & Leadership

Sports that build physical fitness, self-discipline, confidence, and leadership skills.

**Building Strength. Discipline. Team Spirit.**

# CURRICULUM JOURNEY

At Floreto World School, the curriculum journey is carefully designed to support a child's growth at every stage—academically, socially, and emotionally. Each phase builds naturally on the previous one, ensuring continuity, confidence, and readiness for the future.

## CAMBRIDGE EARLY YEARS PROGRAMME

The Cambridge Early Years Programme focuses on play-based, experiential learning that supports a child's natural curiosity. It helps children develop early language, numeracy, motor skills, creativity, and social-emotional confidence. Learning takes place through exploration, stories, music, movement, and hands-on activities—building strong foundations and a lifelong love for learning.

## CAMBRIDGE PRIMARY YEARS PROGRAMME

The Cambridge Primary Programme offers a balanced and concept-driven curriculum that strengthens academic foundations while nurturing essential skills. Students develop literacy, numeracy, scientific thinking, and global awareness through engaging lessons, activities, and projects—encouraging curiosity, confidence, and independent thinking.

## CISCE CURRICULUM (ICSE & ISC)

The CISCE curriculum provides academic depth, structured learning, and strong conceptual understanding. It prepares students for higher education by emphasizing critical thinking, analytical skills, clear communication, and real-world application of knowledge. With a focus on both scholastic excellence and values, the CISCE curriculum supports students in becoming responsible, confident, and future-ready individuals.

Floreto World School, certified as a Fit India School by the Government of India, fosters a culture of fitness, well-being, and holistic growth. Through structured sports programs and health initiatives, we empower students to embrace healthy lifestyles, build resilience, and grow into confident, future-ready individuals.”

Floreto World School proudly participates in the United Nations’ Global Schools Program, seamlessly integrating the Sustainable Development Goals into our curriculum. This initiative empowers students to become responsible, forward-thinking global citizens, nurturing awareness, critical thinking, and proactive engagement in creating a sustainable, inclusive, and equitable future for all.”

**Each stage builds seamlessly on the previous supporting every child’s growth, at every step.**

# LEARNING SPACES

At Floreto World School, learning spaces are thoughtfully designed to actively support a child's growth. Closely aligned with the curriculum, our environments nurture curiosity, creativity, collaboration, and exploration.

Learning is shaped through a harmonious balance of physical spaces, social interaction, and a child's inner world—supporting imagination, emotional well-being, and confidence.

Our flexible, child-centric spaces adapt to diverse learning styles and teaching approaches. Calming colours, child-safe materials, natural light, and seamless indoor-outdoor connections create secure environments that encourage independence, collaboration, and focused learning.

Safety and well-being are integral to every space at Floreto. Secure layouts, ample lighting, and well-ventilated, climate-controlled interiors ensure a comfortable and protected learning environment.

Together, these thoughtfully designed spaces empower children to explore freely, think independently, and learn with confidence — making every environment an active partner in their learning journey.
